E. ANTHONY, 308 Broadway, NeW York. After May 1st, 1860, 501 BROAD WAY, two doors from the St. Nicholas Hotel.

The Stereoscope is the most instructive, interesting, ntertaining, amusing, and exciting of modern inven-None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty. No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and thurpness of detail, as if you were on the spot.

Photographers are everywhere exploring Europe.

Photographers are everywhere exploring Europe, Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are containtly enriching our stock.

We have an immense variety of paper Views of Scenez in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St. Cloud, Fontainebleau, Tuilleries, Italy, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Groupe Historical, amusing, marriage scenes, breakfast scenes pic-nics, statuary, &c. &c. An exquisite assortmen of Illuminated Interiors of Palaces, Churches, and Cathedrals of France, Italy, &c. &c. The effect of these illuminated views is most remarkable.

Every Gentleman of Wealth And Reprined Tashe should have in his drawing room some of our exquisite views on glass, with a revolving stereoscope,

should have in his drawing room some of our equisite ricers on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fast inating, and one can offer no greater treat to a friend fond of the picturesque and the beautifui. Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the furticth part of a second, and everything no matter for the property of the property of the start of the second as sharply how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest This gives an additional value, for to the beauties of inanimate nature at adds the charm of life and me tions. The process is a discovery of our own, and being unknown in Europe,c. we receive from London and Paris large orders for Anthony's Instantanee Views of American life and scenery. Among other things we have just published Stere OSCOPIC Illustrations of the Scene of the Furron Stiest Prayer Meetings, in which many hearts feel an interest. The particulars of this will be found in our catalogue. Our Catalogue of subjects and prices will be for-

warded to any address on receipt of a stamp.

Parties at a distance sending us \$3, \$5, \$10, \$15, \$20, or \$25 can have a good instrument and such pictures as hey may request, sent by Express. Views alone, (without instrument) can be sent by Parties who wish to be advised of everything rea ly valuable in the line that comes out, may send us their names to place on record, and will keep them posted at our own expense.

Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out amaleurs with everything necessary for their success together with instructions "How to take Stereoscopic Pictures."

ST. NICHOLAS HOTEL Broadway, New York.

WHEN completed six years ago the St. Nicholas W was universally pronounced the most magnifi-cent, convenient and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of com-fort and enjoyment. The Hotel has accommodations for 1000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details.
